Introduction

Welcome to Spanish 10. This course will develop and apply a variety of language-learning strategies that will allow students to interact using Spanish with greater confidence. While taking risks students will continue to improve their speaking and writing abilities to convey personal meaning. We will continue to explore Spanish culture.

All students will be evaluated on their ability to write and comprehend Spanish.

This course focuses on:

- Communicating
- Acquiring Information
- Experiencing Creative Works
- Understanding Cultural Influences

Part of your learning journey includes a communicative learning component. Rosetta Stone is used to develop oral language training and is available to the student for the entire course. Completion Timeline Expectations

Successful learners typically finish within four months of initial enrolment in this course. COMMIT to achieving your goals! Get a calendar out and plan how and when you will complete each lesson in the first two units immediately. If you mess up, do your best to catch up, but change the timeline right away to reflect this change and, then, do your best to never let yourself fall behind again.
