phone: 250-756-9901 or 250-816-6746

Introduction

Welcome to Work Experience 12A

Work Experience 12A and Work Experience 12B are Ministry elective courses that allow students to acquire elective credits through work-based training.

This course provides students the opportunity and experience outside of school to expand workplace skills and career life options while providing opportunities for self-discovery.

Students work a minimum of 90 hours in one or more work placements in one or more focus areas. As well they must complete assignments regarding their work placement.

Students that enroll in WEX 12B must have successfully completed WEX 12A and must work at either a different approved work site or work at the same work site but in a significantly different role.

Topics

Skills Development
Work Place Safety
Workplace Communications

Assessment

Grades will be calculated according to the following weightings.

Enrollment Assignment	10%
Work Placement Hours and Assignments	60%
Post-placement Assignments	30%

Important Course Expectations

- Students are expected to find their own work placement
 - Paid work placements must be covered by Work Safe BC
 - Student work placements must be related to future career goals
 - Work site must undergo a site inspection by a SD68 employee.
 - Credit for past paid or non-paid work experience is NOT permitted
-
